Calling all vehicle interior designers
and vehicle interior component
makers and suppliers!

Automotive Interiors Expo North America exhibitors
represent the A-Z of car interiors, with their products
found in vehicles from just about every segment of the
auto industry!

On show you'll find a wide range of
fabrics, acoustical materials, shape-
forming materials and foams, fasteners
and adhesive systems, lighting and more!
The show is a must-visit for OEMs and
interior design teams wanting to keep up with
the rapidly changing world of materials, finishes and
technologies that contribute to 'touch and feel'.
