OCTOBER 22 ,23, 24, 2019

THE SUBURBAN COLLECTION SHOWPLACE, NOVI, MI, USA

NORTH AMERICA'S INTERNATIONAL AUTONOMOUS VEHICLE EVENT

With exhibitors showcasing testing and next-generation enabling technologies specifically for autonomous vehicle programs, plus the added benefit of being able to network with delegates attending the adjoining autonomous issues conferences covering legal issues, testing protocols and procedures, and HMI and interiors design considerations, this is an event truly not to be missed.

Entrance to the expo zones is entirely free but please note that conference rates apply to join the conference sessions.

See even
more ADAS and
AV testing and
validation partners
at the adjacent
Automotive
Testing Expo!
