OF WHO YOU CAN MEET**

**100+  
EXHIBITORS  
EXPECTED!**

See the website for  
latest updates

SPONSORS

Automotive Testing Expo showcases current and next-generation vehicle test and development tools. Every exhibitor will be demonstrating technologies and services that could reduce the duration of your vehicle development program as well as reduce product failures. The show is about improving vehicle validation techniques and data analysis, be they subjective or objective practices, so expect to see test rigs, software/simulation packages, proving grounds, crash test technologies, NVH measurement tools, durability assessment, accelerated aging technologies and much more.

**NEW FOR 2018:**

**MEET-THE-BUYER PROGRAM**  
REQUEST AND SCHEDULE MEETINGS WITH  
LEADING TECHNOLOGY VENDORS

SEE THE REGISTRATION FORM FOR MORE DETAILS OF WHO YOU CAN MEET

**REDUCE DEVELOPMENT  
TIMES AND INCREASE  
DURABILITY**
